

Have you ever been in Kahoots?

I have been in many places, but I've never been in Kahoots. Apparently, you can't go alone. You have to be in Kahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there.

I have, however, been in Sane. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my children, friends, family and work.

I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore.

I have also been in Doubt. That is a sad place to go, and I try not to visit there too often.

I've been in Flexible, but only when it was very important to stand firm.

Sometimes I'm in Capable, and I go there more often as I'm getting older.

One of my favorite places to be is in Suspense! It really gets the adrenaline flowing and pumps up the old heart! At my age I need all the stimuli I can get!

Another place I wouldn't want to be is in Carcerated. I hear it is quite confining.

I may have been in Continent, but I don't remember what country I was in. It's an age thing. They tell me it is very wet and damp there.
