

# Daffy Definitions Word Cross

A Puzzle by David Pleacher

This puzzle has two parts to it.

First, determine the answer to each of the 25 "definitions."

Each answer is a single math word. The number of letters in the word is given in parentheses.

Second, place the 25 words in the word cross.

1. To indicate something with your finger (5 letters)
2. What the prisoner magician did on his wife's birthday (10)
3. A prisoner's poem (8)
4. To be in favor of farm machinery – they voted yes for better tractors (10)
5. King of the jungle (4)
  
6. A flattering remark (10)
7. What the little acorn said when it grew up (8)
8. A place where criminals are sent (5)
9. What Noah built (3)
10. The name of the U.S. Defense building in Washington, DC (8)
