

MATH SCRAMBLE

A Puzzle by David Pleacher

Hidden in each box are four words -- three related math words, and a fourth word that shows how the others are related. Each word is divided into five parts, and hidden sequentially from left to right in 5 columns. Each square is used only once.

1.

R	NT	A	B	N
S	HO	GO	O	E
PE	LY	AG	N	S
PO	QU	M	R	US

Category: POLYGONS

Word #1: SQUARE

Word #2: _____

Word #3: _____

2.

AN	B	L	U	T
