

# Everything I Needed to Know, I Learned from Rock 'N Roll

by David Pleacher

Listed below in bold are some of the things I learned from Rock 'N Roll. Underneath each of these words of wisdom, these common sense principles by which our Rock 'n Roll fathers would have us live our lives, are song titles that give that advice. Can you figure out the title and the performer?

The key words of the song title have been replaced by their initial letters. Following the song is the name of a recording artist which made the song a hit; but again, the key names have been replaced by the first letter. The year that the song was recorded is listed in parentheses.

If you're having difficulty, perhaps you would do better "W. a L. H. from my F." by The B.; that is, "With a Little Help from my Friends" by The Beatles.
