

Biblical Number Trivia Magic Square

A magic square is a square array of numbers in which each column, row, and diagonal has the same sum (called the Magic Sum).

In this puzzle, you must first determine the number for each of the nine clues. Then follow the instructions to determine the values for A, B, C, D, E, F, G, H, and I, and replace those nine letters in the Magic Square with their corresponding numbers.

Clue #1 A = (Number of each animal that Noah took on the ark) + (Wise Virgins)

Clue #2 B = (People in the Ark) – (Beatitudes)

Clue #3 C = (Tribes of Israel) – (Number of Loaves of Bread at the Feeding of the 5,000)

Clue #4 D = Disciples – Commandments

Clue #5 E = (Days in the Wilderness) ÷ ((Days it took God to create the world) + (Number of persons in the Fiery Furnace including the angel))

Clue #6 F = (Books of the Bible) ÷ (Brothers of Joseph)

Clue #7 G = (Pieces of Silver) – (Books of the New Testament)

Clue #8 H = (Trinity) + (Husbands of the Woman at the Well)

Clue #9 I = (Days and Nights of the Great Flood) – (Books of the Old Testament)

Now replace each of the letters A, B, C, D, E, F, G, H, and I by their respective numbers in the magic square below:

Place your answers here:

A	B	C
D	E	F
G	H	I

Answers

7	0	5
2	4	6
3	8	1

$$A = 2 + 5 = (\text{Number of each animal that Noah took on the ark}) + (\text{Wise Virgins})$$

$$B = 8 - 8 = (\text{People in the Ark}) - (\text{Beatitudes})$$

$$C = 12 - 7 = (\text{Tribes of Israel}) - (\text{Number of Loaves of Bread at the Feeding of the 5,000})$$

$$D = 12 - 10 = \text{Disciples} - \text{Commandments}$$

$$E = 40 \div (6 + 4) = (\text{Days in the Wilderness}) \div ((\text{Days it took God to create the world}) \\ + (\text{Number of persons in the Fiery Furnace including the angel}))$$

$$F = 66 \div 11 = (\text{Books of the Bible}) \div (\text{Brothers of Joseph})$$

$$G = 30 - 27 = (\text{Pieces of Silver}) - (\text{Books of the New Testament})$$

$$H = 3 + 5 = (\text{Trinity}) + (\text{Husbands of the Woman at the Well})$$

$$I = 40 - 39 = (\text{Days and Nights of the Great Flood}) - (\text{Books of the Old Testament})$$

The Magic Sum is 12
