

Wackie Wordies (#128)  
 From the Library of *GAMES* Magazine

**BACK BY POPULAR DEMAND: WACKY WORDIES**  **FROM THE GAMES LIBRARY**

A perennial favorite, Wacky Wordies have appeared many times in our pages. For those who may have missed them the first time, or for longtime readers who want to enjoy them again, we present 40 of our favorite Wacky Wordies of the past. The first 20 were created by Ernest Couture and appeared in the February 1994 issue of *GAMES*. Numbers 21–40 are from the December 1992 issue; these came from a 1928 book called *Cookoo-Nuts*.

As always, the object is to discern a familiar word, phrase, or saying from each arrangement of letters and symbols. For example, #1 below depicts “a house divided.” Enjoy!
